MANAGEMENT DISCUSSION AND ANALYSIS REPORT

A macroeconomic overview:

Financial year 2016-17 (FY2017) began on a positive note. India had closed FY2016 with growth in real GDP of 7.9% and a growth in gross value added (GVA) of 7.8%. Despite two disconcerting facts - namely, the high level and proportion of the banking sector's non-performing assets coupled with a muted growth in bank credit- there were expectations of India achieving a GDP growth rate somewhere between 7.5% and 8% in FY2017.

Unfortunately, that has not occurred. The second advance estimates of national income forecast by the Central Statistics Office (CSO) released on 28 February 2017 suggest a real GDP growth of 7.1% for FY2017; and a real gross value added (GVA) growth of 6.7%. Both estimates are significantly lower than what the economy achieved in the previous year.

On 8 November 2016, the Government announced demonetisation of Rs.500 and Rs. 1,000 banknotes, which represented 86% of the currency in circulation. Contemporary evidence suggested significant disruption arising out of unprecedented cash constraints throughout the economy. For lending institutions in particular, the impact of lower collection efficiencies was quite severe, and resulted in poorer credit growth.

However, the national income data published by the CSO does not suggest any significant reduction in GDP or GVA growth in the third quarter of FY2017 which could have been correlated with the demonetisation drive. The third quarter traditionally tends to be muted. In FY2016, the growth rate of real GVA in Q2 was 8.4%; and in Q3 it was 7%, or a sequential drop of 1.4 percentage points. In FY2017, GVA growth in Q2 was 6.7%, and in Q3 it was 6.6%. In other words, despite the effects of demonetisation for over 60% of Q3 FY2017, the negative effect as reported by the CSO has been only 10 basis points. We need harder evidence to clearly quantify the impact of demonetisation on real GDP or GVA growth. What the data so far suggests is that it was more moderate than the naysayers claimed it would be. And that the effects would be transitory. If demonetisation was not the prime cause for the lower estimate of GDP and GVA growth in FY2017, then what were the other determinants? There are two.

The first is insufficient investments, especially over the last five years. Gross fixed capital formation (GFCF) for FY2017 is estimated to be only 0.6% higher than what it was in FY2016. The share of GFCF to GDP has steadily fallen from 31.7% in FY2015 to 31.1% in FY2016 to a low of 29.2% in FY2017. Unless investments rapidly pick up in FY2018 and the following year, it is difficult to envisage how India can achieve a sustained real GDP growth of 7.5%, leave aside an aspirational target of 8%.

The second is also related to investments and linked to the state of our banks, especially many of those under Government ownership. Data for the quarter ended 31 December 2016 shows that for the 27 public sector banks which account for the vast majority of the nation's loans and advances, gross NPAs were estimated at H 647,759 crore, a 140% increase over what it was two years earlier. Today, such NPAs constituted 12% of total loans and advances. The proportion may indeed be higher still. In any event, with these banks being so badly stressed, there is no appetite for advancing term loans without which, it is impossible to envisage the investment spends required to transit to a higher growth path. Consequently, it is not surprising that several sectors of the economy have seen a reduction in growth. Real GVA in mining and quarrying is estimated to grow by only 1.3% in FY2017 versus 12.3% in the previous year. Manufacturing growth for FY2017 is pegged at 7.7%, which will be 290 basis points lower than what it was a year ago. GVA from trade, hotels, transport, communications and broadcasting services are expected to grow by 7.3% compared to 10.7% in FY2016. And GVA from financial, real estate and professional services is estimated to grow at 6.5% in FY2017 versus 10.8% a year before. Having said this, it needs to be emphasised that 7.1% real GDP (or 6.7% real GVA) growth happens to be among the highest in the developed world and across all major emerging markets, including China. From a cross-country perspective, therefore, we seem to be doing well enough. The issue is internal to India: Is such growth sufficient to significantly increase incomes and employment and reduce poverty in the country? And the answer is straightforward: we need to do much more. What about inflation? The Consumer Price Index (CPI) inflation varied month-to-month between 3.2% and 6.1% during FY2017. Excluding food and fuel, however, core CPI inflation has remained at around 4.9% since September 2016, which is somewhat higher than what the Reserve Bank of India (RBI) is comfortable with. Thus, in February 2017, the RBI changed its monetary policy stance from accommodative to neutral. With core inflation remaining firm in the neighbourhood of 5%, the RBI in its first monetary policy statement for 2017-18 (FY2018) has justified maintaining a hawkish stance. Growth in bank credit continued to be subdued. Thanks to the overhang of NPAs, it grew only by 5.2% in FY2017 versus 10.2% in the previous year. On the liability side, demonetisation led to an unnatural growth in bank deposits, which increased by 11.9% in FY2017 compared to 9.1% in FY2016. Awash with post-demonetisation liquidity, the banks significantly reduced their incremental marginal cost based lending rates in January 2017.

This, we believe, has created a potentially alarming situation in the banking sector, especially for the public sector banks. On the one hand, these institutions remain saddled with high levels of NPAs from which they earn little or no returns and need quarterly provisioning to the detriment of their profits. On the other hand, extra liquidity has forced a reduction in lending rates which, in turn, reduced the net income margin from new lending. Without exaggeration, it is fair to say that the state of most banks continue to be alarming.

How FY2018 plays out depends upon two factors: the investment appetite of the country and a perennial annual variable called the monsoons. Regarding the former, there is still no sign of even a modest upsurge in private investments as firms continue to leverage efficiency improvements and squeeze the best out of existing capacities. As far as the latter is concerned, the India Meteorological Department has come out with an initial forecast of a normal monsoon. That remains to be seen. It will only be after August 2017 that we know how ample the south west monsoon was.

On the other side, the roll out of the nation-wide Goods and Service Tax (GST) in FY2018 ought to aid growth. To be sure, a task as monumental as the GST will have teething troubles in the first two quarters. We believe that it is only in FY2019 that the country will begin to see the overall benefits of this key economic reform. Equally, the Insolvency and Bankruptcy code ought to finally create a market for stressed assets; and, all other things being equal, reduced bank lending rates should make borrowing more attractive than before. Despite these positives, it is difficult to see a quantum jump in GDP growth in FY2018. From our perspective, if we see India's real GDP growing at around 7.4% to 7.5% in the coming year, it will be a creditable achievement. Anything higher will be a bonus.

SAINIK FINANCE & INDUSTRIES LIMITED

Non-Banking Finance Companies (NBFCs) continued to grow their share in the financial services industry. As per data published by RBI in its Financial Stability Report of December 2016, NBFCs have outperformed Scheduled Commercial Banks (SCBs) on growth in advances and in asset quality.

POSSIBLE THREATS

As we get into an environment which is likely to be largely positive over medium to long term, there may be significant roadblocks in the shorter term. The implementation of GST is likely to cause certain short term disturbances. Despite recent push by the RBI, the resolution of stressed assets in the system is likely to take more time. Also the effect of various loan waivers on credit culture in the rural areas is still to be seen.

Your Company acknowledges these possible negative factors and has a plan to mitigate them through its deep domain knowledge, strong risk framework and an efficient collection mechanism.

OUTLOOK

The markets will continue to grow and mature leading to differentiation of products and services. Each financial intermediary will have to find its niche in order to add value to consumers. The Company is cautiously optimistic in its outlook for the year 2017-18. We believe that the growth momentum of NBFCs will result in their share in the financial services sector increasing in the near future.

FIXED DEPOSITS

The Company is a non-deposit accepting company -NBFC. The Company has not accepted any fixed deposit during the period under review.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company's internal control system is designed to ensure operational efficiency, protection and conservation of resources, accuracy and promptness in financial reporting and compliance with laws and regulations. The internal control system is supported by an internal audit process for reviewing the design, adequacy and efficacy of the Company's internal controls, including its systems and processes and compliance with regulations and procedures. Internal Audit Reports are discussed with the Management and are reviewed by the Audit Committee of the Board which also reviews the adequacy and effectiveness of the internal controls in the Company. The Company's internal control system is commensurate with the size, nature and operations of the Company.

RISK MANAGEMENT

The Company recognizes the importance of risk management and has accordingly invested in appropriate processes, people and a management structure. The Board of Directors of the Company reviews the asset quality at frequent intervals. The asset quality of the company continues to remain healthy. The nature of business the company is engaged in exposes it to a slew of complex and variable risks. The rapid and continuous changes in the business environment have ensured that the organization becomes increasingly risk focused to achieve its strategic objectives. SFIL's policies ensure timely identification, management and mitigation of relevant risks, such as credit risk, liquidity risk, interest rate risk, operational risk, reputational and regulatory risks, which help the company move forward with vigour.

INDEPENDENT AUDITOR'S REPORT

To the Members of Sainik Finance & Industries Limited

Report on Financial Statements

We have audited the accompanying financial statements of Sainik Finance & Industries Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, and its profit/loss and its cash flows for the year ended on that date.

ANNEXURE 'B'

Report on Internal Financial Controls Over Financial Reporting

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting SAINIK FINANCE & INDUSTRIES LIMITED ("the Company") as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

SAINIK FINANCE & INDUSTRIES LIMITED

2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India

SAINIK FINANCE & INDUSTRIES LIMITED

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

1. General

The Company was incorporated on 22nd August 1991 with Registrar of Companies, NCT Delhi and Haryana in the name of M/s Garuda Clays Limited (a manufacturing company). Later on M/s Ramanuj Leasing Ltd which was incorporated on 02.01.1985 and was doing leasing & finance activities merged with M/s Garuda Clays Limited by order of the Hon'ble High Court of Delhi dt.01.11.1999 and the said order was filed with registrar of companies on 04.12.2000. The name of M/s Garuda Clays Ltd. was later on changed to M/s Sainik Finance & Industries Limited.

The Company is engaged in non-banking finance activities and registered with Reserve Bank of India as Non Banking Finance Company (NBFC). The Reserve Bank of India has renewed its registration on 03/09/2003 vide new registration certificate No. N.14.02967.

The Company was engaged in manufacturing of Portland Cement (ITC Code : 25.23.29.10) and Pre-stressed Concrete Pole (ITC Code-68.69.60.00). The business operation with respect to manufacturing of Portland Cement were discontinued in July, 2012 and the Plant machinery and equipment thereof were dismantled for sale etc. However the business operation with respect of Pre-stressed Poles continued till 2013 and thereafter the company decided the dispose off the factory building etc in entirety.

2. Significant Accounting Policies

A. **Basis of Accounting**

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis. The financial statements are prepared in accordance with the accounting standards notified by the Central Government, in terms of section 133 of the Companies Act, 2013 read with Rule 7 and guidelines issued by the Securities and Exchange Board of India (SEBI) and the guidelines issued by the Reserve Bank of India ('RBI') as applicable to a Non Banking Finance Company ('NBFC'). The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

B. **Use of Estimates**

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statement and the reported amount of revenues and expenses during the reporting periods. Difference between the actual results and estimates are recognized in the period in which the results are known materialized.

C. **Revenue Recognition**

- i) The Company follows the practice of accounting for Income on accrual basis except dividend. In respect of loans and advances, interest is accrued on standard advances and on others are accounted on the basis of certainty of collection, and/or receipt basis.
- ii) Sales represent invoiced value of goods sold net of excise duty.
- iii) Lease Rentals are accounted for on accrual basis and full months rental is considered as income irrespective of the date on which the lease rentals fall due during the month. Further the company accounts for income arising out of leasing activities on the method recommended by the Institute of Chartered Accountants of India. For assets leased up to 31st March 2001, the lease income is recognised at an Internal Rate of Return (IRR) on the principal amount outstanding at the due date of the lease rental. An annual lease equalisation charge is computed by deducting from lease rentals the income derived at IRR, which is then compared with depreciation provided. The difference is adjusted through lease equalisation in lease adjustment account. No assets have been leased after 1-4-2001 and therefore the mandatory provisions under Accounting standard (A 8-9) in respect of leased assets after 1-4-2001 do not apply.
- iv) Hire Purchase Finance Charges/ Hypothecation charges/Loan Syndication Charges have been accounted for on instalment due basis based on Internal Rate of Return.

D. **Inventories**

- i) Raw Material, Packing Materials, Stores and spares, Finished goods, Semi-finished goods & Stocks in process are valued at cost or market price whichever is lower .in accordance with valuation principles laid out in AS-2 issued by The Institute of Chartered Accountants of India.
- ii) Stock on Hire/ Hypothecation/ Loan Syndication Principal represents disbursed value of assets less capital repayments matured including un-matured finance/hypothecation/loan syndication

SAINIK FINANCE & INDUSTRIES LIMITED

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2017

charges thereon as per IRR. The un-matured finance/hypothecation/loan syndication charges are reduced from stock on hire/hypothecation/loan syndication to reflect the net principal outstanding.

- iii) The securities acquired with the intention of short term holding and trading positions are considered as inventories and disclosed as current assets. The securities held as inventories under current assets are valued at lower of cost or market value as at 31st March, 2016 is considered as market value.

E. Fixed Assets & Depreciation

- i) Leased assets of the Company are valued at historical cost less depreciation and lease adjustment account
- ii) Other Fixed Assets are capitalized at cost inclusive of legal and/ or installation and incidental expenses, less accumulated depreciation.
- iii) The Company provides depreciation on straight line basis on the basis of useful lives of assets as specified in Schedule II to the Companies Act, 2013.
- iv) Depreciation on assets sold / purchased during the year is proportionately charged.

Impairment of Assets -

Impairment losses, if any, are recognized in accordance with the Accounting Standard. Where there is an indication that an asset is impaired, the recoverable amount, if any, is estimated and the impairment loss is recognized to the extent carrying amount exceeds recoverable amount and the same is charged to the Statement of Profit & Loss.

F. Earning per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

G. Taxes on Income

- i) Current Tax: Provision for current tax is made on the estimated taxable income at the rate applicable to the relevant assessment year.
- ii) Minimum Alternative Tax : In the event the income tax liability as per normal provisions of the Income Tax Act, 1961 is lower than the tax payable as per section 115J (Minimum Alternative Tax), tax is provided as per Section 115J.
- iii) Deferred Tax : In accordance with the Accounting Standard, the deferred tax for the timing difference is measured using the tax rates and tax laws that have been enacted or substantially enacted by the Balance Sheet date.

Deferred tax assets arising from timing difference are recognized only on the consideration of prudence.

H. Employee Benefits

- i) Short Term Employee Benefits: (i.e. benefits payable within one year) are recognized in the period in which employee services are rendered.
- ii) Contributions towards Provident Fund are recognized as expense. Provident Fund contributions in respect of all employees are made to Provident Fund Authorities.
- iii) Provision for Gratuity Payable has been made in accordance with the period of qualifying service put in by the each employee of the Company from the date of joining and up to the end of the financial year.
- iv) Contribution to Central Government Employees State Insurance Scheme for eligible employees is recognized as charge for the year.

I. Contingent Assets and Liabilities

- i) Contingent Liabilities are disclosed by way of a note to the financial statements after careful evaluation by the management of the facts and legal aspects of the matters involved.
- ii) Contingent Assets are neither recognized nor disclosed.
